**ABOUT**  
**COMMUNITY**  
**CONNECTOR SERVICE**

Knowing where to go to for information, programmes and social services that you & your family need to help yourselves, can be hard.

The **Community Connector Service** can Connect & Empower you so that you & your family are able to use government or non-profit social services such as housing, financial support, health, employment skills training, language & cultural groups.

**Piri'anga:**

We get to know you, build a support system around you, and **CONNECT** you with the services you need.

**Mātūtū:**

We get to know you and your family's needs, and help you feel **AUTONOMOUS** in accessing the services you need

**Mākirikiri:**

We ensure you feel **COMPETENT** to access what your family needs, and empowered to feel in charge of your future
